

## ***Happily Ever After Building Renovation Campaign***

For over 30 years, the Humane Society of the Lakes has helped thousands of animals live happier, safer, and healthier lives; healing them with lifesaving services and connecting them to our loving community through adoption and fostering.

After saving thousands of animals, our 17-year-old shelter is in desperate need of updates and repairs. These renovations are necessary so we can continue to care for the vulnerable animals we are dedicated to defending, protecting, and providing for daily. The estimated costs of this complete building renovation are \$100,000.

By standing together as ONE of three-hundred donors for a common mission, I believe that our dedicated group of donors and supporters can make a significant impact on the lives of the animals in need. As ONE donor among 300 with a \$333 donation, you will help the animals served by the Humane Society of the Lakes lead healthier, happier lives while they await their fur-ever homes.

We look forward to becoming ONE with you in 2023.

Sincerely,

Lori Thompson, HSL Board President
